Plan to spend a week or more this October in warm and sunny South Florida for Unity Spiritual Education and Enrichment! Soak up the sun, splash in the surf, and study spiritual truth with other students on our “positive path for spiritual living.” Unity of Pompano is located 1.5 miles from the Atlantic Ocean in beautiful Pompano Beach and just north of Fort Lauderdale. Centered between Palm Beach and Miami, we enjoy easy access to major highways, railways, and airports (FLL). This metro area is rich with parks, beaches, water activities, restaurants, culture, arts, entertainment and shopping. “S.E.E. by the SEA” at Unity of Pompano provides the perfect opportunity to combine a vacation with Unity education.

You need not be enrolled as a Unity student to take the SEE by the SEA classes. Take up to 4 classes per day -- OR -- Take it easy with fewer classes and some wonderful respite time. Come study with us in a welcoming atmosphere. Enjoy the like-minded camaraderie! And enjoy the variety of life experience and wisdom that our instructors offer. Now serving in South Florida as Unity leadership, each began as a Unity student!

We encourage you to register now to take advantage of our \$65 rate until August 31. After August 31, the fee is \$75 per class. (SEE Credit is an additional \$45 per class.) Registration and payment are easy – online here or downloadable forms for USPS mailing. Upon receipt of your registration, we will email a confirmation with more details about SEE Week.

### **Love Offering**

In keeping with Unity’s tradition and prosperity teaching of giving a “love offering” to the source of spiritual inspiration and education, a Love Offering will be taken on Thursday at the close of each class. It will be divided among our teachers, who are not compensated for this week. We offer this opportunity to express the gratitude of your spiritual education with the educators who have generously altered their schedule to be with us. Abundant blessings and thanks to each of you.

**8:30 AM Gathering** in the Sanctuary for announcements & centering meditation

### **9:00 am – 10:50 am**

**UNITY PRAYER** (Course SPD 100)

**Teacher** - Rev. Luzette Rivera-Diez

This course is a discussion & practice of the affirmative meditative prayer that is at the heart of the Unity spiritual path. The Unity way of prayer is ultimately aimed at experience of the Divine & realization of the practitioner's divine potential. Along the way there are practical benefits, including guidance, healing & abundance. In this course, students are introduced to Unity's Five Step Prayer Process & supported in developing their daily prayer practice.

### **11:00 am -- 12:50 pm**

**BIBLE INTERPRETATION: ACTS TO REVELATION** (Course SCS 115)

**Teacher** - Cynthia Roberts, Licensed Unity Teacher (LUT)

In this class students discover inner spiritual meanings of Christian Scriptures (Acts through Revelation) as they apply the Unity method of interpretation to "the New Testament." Unity's "maieutic: and metaphysical approach to interpreting scriptures aims to help the interpreter cultivate self-knowledge & make contact with the Higher Spiritual Self commonly called "Christ within" and "Christ Consciousness."

### **2:00 pm -- 3:50 pm**

**JESUS' TEACHINGS** (Course SCS 120)

**Teacher** - Bev Spivey, LUT, Spiritual Leader

Teachings about the Gospels have usually portrayed Jesus Christ as the "*Great Exception*" to being human. However, by focusing upon his sayings, we can see Jesus as the "*Great Example*" for spiritual awakening, empowerment, and transformation. By exploring the teachings of Jesus, rather than the teachings *about* Jesus, we can follow that example. Students will develop a deeper and more practical understanding of Jesus as Master Teacher & Way-shower through reflection upon his sayings and methods. In this way, they will learn to build a strong spiritual foundation for "Christ Consciousness."

### **4:00 pm -- 5:50 pm**

**METAPHYSICS IV** (Course HTS 120)

**Teacher** - Rev. Lawrence Palmer

This advanced course summarizes and organizes metaphysical teachings so that Truth may be demonstrated in the student's life. Through the consistent use of these practical principles, the students will consciously transform their life and realize more of their spiritual potential. Topics explored are: Kingdom of Heaven, Creative Process, Keys to Demonstration, Metaphysical Basis for Wholeness & Health, Healing: Demonstrating Life, Wholeness & Health, Metaphysical Basis for Prosperity, Demonstrating Prosperity & Creating a Metaphysical Treatment Plan.
